BORACAY PICNIC ACTIVITIES ASSOCIATION

KNOW MORE ABOUT US

The Boracay Picnic Activities Association (BPAA) is an organization composed of passionate and dedicated members who own picnic restaurants that prepares delectable and appetizing foods that will let the guests sail on a savory experience and also operate travel agencies in the Municipality of Malay. This unique combination of businesses allows the association to offer comprehensive and integrated services to tourists visiting Boracay Island.

One of the primary objectives of the BPAA is to promote and advocate sustainable tourism practices. The association recognizes the importance of preserving the natural beauty and ecological integrity of Boracay Island while catering to the needs and desires of tourists.

MISSION

To promote and provide high-quality and sustainable picnic activities services for visitors. All our members strives to create memorable experiences, ensuring safety, environmental preservation, and customer satisfaction.

VISION

To be the leading provider of picnic activities in Boracay, known for our commitment to excellence, professionalism, and environmental responsibility. We aspire to be a catalyst for sustainable tourism, promoting awareness and responsible practices among visitors and local communities alike as we engage in a range of diverse and entertaining picnic activities.
